2.0 SCOPE OF SERVICES:

The intent of the RFP is to establish the general Scope of Services needed, and to provide prospective Proposers with sufficient information to enable them to provide an acceptable response to the RFP. Every effort has been made to outline requirements, and to provide information in a format that is clear and concise. HACM is seeking qualifications and proposals from firms interested in providing all Housing Quality Standards (HQS) Inspection Services for the Housing Choice Voucher (HCV) program. There will be approximately 1300 units annually. The residential units to be inspected are located throughout the County of Monterey California. The proposer must be able to provide a qualified representative that will be the main contact person for the inspection services and attend monthly owner meetings to discuss HQS protocols. While HACM has not adopted NSPIRE-V protocols, as of yet, The proposer must have familiarity of the NSPIRE-V program. The selected Proposer shall perform all the duties and responsibilities normally associated with conducting residential unit inspections in accordance with the standards set forth by the Housing Quality Standards Inspection Guidelines via 24 CFR 982, and 983 HACM's Administrative Plan and the HUDHQS manual. The selected firm shall provide the following general services:

- a) Proposers will be required to perform all initial Housing Quality Standards Inspections (HQS) for the Housing Choice Voucher (HCV) program and all HQS inspections of properties that are owned by HACM/HDC.
- b) Experienced Inspectors to complete HQS inspections according to HUD guidelines. All inspectors shall be field experienced. Each inspector provided under this contract shall have completed sensitivity and sexual harassment training, shall be HQS certified and HUD certified on Visual Lead Paint assessment. - d) Schedule and reschedule appointments as necessary, using correspondence tools designed by HACM. This includes notifying the owner and tenants of scheduled inspections via US Mail, if necessary. Proposer must also maintain a phone line and email available to clients for scheduling purposes.
- e) Conduct inspections on electronic tablets, using inspection application provided and designed by HACM. Handwritten inspections on an inspection checklist will be acceptable if software application has not been implemented.
- f) Proposer's staff must upload inspection data from electronic tablets into YARDI (the

software system used by HACM) on the day of the inspection, file appropriate paperwork, and send paperwork to HCV for electronic filing on a schedule detailed by the HACM. HACM may request certain results to be "called in" immediately following the inspection. HACM will provide an office area with computer and access to copiers and fax machines for Proposer to perform these duties. Data will be saved to HACM's electronic filing system. NO OVERNIGHT RETENTION OF INSPECTIONS DATA OR TABLETS WILL BE PERMITTED BY THE INSPECTION STAFF.

HACM may schedule these inspections or refer these inspections to the Proposer for scheduling and the Proposer shall conduct the inspections.
- i) Proposer shall schedule all inspections by notifying the tenant and owner of the inspection time and date between ten (10) and fifteen (15) calendar days before the scheduled inspection. The notice may provide no more than a four (4) hour window for the inspector's arrival. The Proposer must use the Yardi batch scheduler feature for annual and biennial inspection scheduling.
- j) Inspectors are required to contact clients via telephone and wait at unit at least fifteen (15) minutes prior to leaving the premises because of a "no-show". Inspectors must make two (2) attempts to complete the unit inspection on the scheduled day.
- k) Proposer's staff must be trained to use the correct HACM provided letter for each inspection scenario.
- l) Inspectors shall verify that additional rooms, which were approved based on a reasonable accommodation (RA) for the family, are being used according to the RA request. In these cases, HACM shall provide Proposer with the inspection schedules. Inspectors will submit the completed schedules ("Drive Sheets") to HACM at the end of each day for error reconciliation. The Proposer will be responsible for reconciling inspection data in Yardi with Drive Sheets.

Proposers must possess or be willing to obtain NSPIRE certification as mandated by HACM.

Inspections outside of the restricted timeframes must be authorized and approved by HACM. The contractor may not "re-time" inspections on the day of the inspection, unless prior approval is granted by HACM's contract administrator for contract resulting from this RFP. All results must be entered into the Yardi form during the inspection, by selecting "Start Inspection" upon arrival at the unit and "Stop Inspection" upon leaving the unit.
- s) Records must be maintained with respect to the equipment, contract agreements, and owners and tenants as necessary to satisfy governmental requirements regarding reporting, confidentiality and preservation of documents.
- t) Mail a re-inspection letter designed by HACM and generated by Yardi to the tenant and property owner/manager of any unit that did not meet HQS standards along with a listing of failed items generated by Yardi. The letter should explain exactly why the unit did not pass, who the responsible party is, and the date by which the repairs must be completed. 9.2 Evaluation Method

9.2.1 Initial Evaluation for Responsiveness: Each proposal received will first be evaluated for responsiveness (e.g., meets the minimum of the published requirements). PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any evaluation committee member. If, by chance, a proposer does become aware of the identity of such person(s), he/she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFP. 10.2.1 Contract Form: HACM will, during the RFP process (prior to the submittal deadline) consider any contract clauses that the proposer wishes to include therein and submits in writing a request for HACM to do so; but the failure of HACM to include such clauses does not give the successful proposer the right to refuse to execute HACM's contract form. It is the responsibility of each prospective proposer to notify HACM, in writing, prior to submitting a proposal, of any contract clause that he/she is not willing to include in the final executed contract and abide by. HACM will consider and respond to such written correspondence, and if the prospective proposer is not willing to abide by HACM's response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal.

- (a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.
- (b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

- (2) Professional and technical services.
- (a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-
- (i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.
 - (i) Any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

- (i) Discussing with an agency (including individual demonstration) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and
 - (ii) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.
- (d) Agreement. In accepting any contract, grant, cooperative agreement, or loan resulting from this solicitation, the person submitting the offer agrees not to make any payment prohibited by this clause.
- (e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.
- (f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

16. Equal Employment Opportunity

During the performance of this contract, the

Contractor/Seller agrees as follows:

(a) The [contractor/seller] will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, disability, or national origin. The

[contractor/seller] will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, disability, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The [contractor/seller] agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(b) The [contractor/seller] will, in all solicitations or advertisements for employees placed by or on behalf of the [contractor/seller], state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, disability, or national origin.

(c) The [contractor/seller] will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the [contractor/seller]'s legal duty to furnish information.

(d) The [contractor/seller] will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the [contractor/seller]'s commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(f) The [contractor/seller] will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(g) In the event of the [contractor/seller]'s non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the [contractor/seller] may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(g) In the event of the [contractor/seller]'s non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the [contractor/seller] may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(h) The [contractor/seller] will include the provisions of paragraphs (a) through (h) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each sub[contractor/seller] or vendor. The [contractor/seller] will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the [contractor/seller] becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the [contractor/seller] may request the United States to enter into such litigation to protect the interests of the United States.

17. Equal Opportunity for Workers with Disabilities

1. The [contractor/seller] will not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The [contractor/seller] agrees to take affirmative action to employ and advance in employment individuals with disabilities, and to treat qualified individuals without discrimination on the basis of their physical or mental disability in all employment practices, including the following:

- i. Recruitment, advertising, and job application procedures;
- ii. Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring;
- iii. Rates of pay or any other form of compensation and changes in compensation;
- iv. Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

- vi. Fringe benefits available by virtue of employment, whether or not administered by the [contractor/seller];
- vii. Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;
- viii. Activities sponsored by the [contractor/seller] including social or recreational programs; and
- ix. Any other term, condition, or privilege of employment.

2. The [contractor/seller] agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.

3. In the event of the [contractor/seller] noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.

4. The [contractor/seller] agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, Office of Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the [contractor/seller]'s obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants with disabilities.

The [contractor/seller] must ensure that applicants or employees with disabilities are provided the notice in a form that is accessible and understandable to the individual applicant or employee (e.g., providing Brail or large print versions of the notice, or posting a copy of the notice at a lower height for easy viewing by a person using a wheelchair). With respect to employees who do not work at a physical location of the [contractor/seller], a [contractor/seller] will satisfy its posting obligations by posting such notices in an electronic format, provided that the [contractor/seller] provides computers, or access to computers, that can access the electronic posting to such employees, or the [contractor/seller] has actual knowledge that such employees otherwise are able to access the electronically posted notices. Electronic notices for employees must be posted in a conspicuous location and format on the company's intranet or sent by electronic mail to employees. An electronic posting must be used by the [contractor/seller] to notify job applicants of their rights if the [contractor/seller] utilizes an electronic application process. Such electronic applicant notice must be conspicuously stored with, or as part of, the electronic application.

5. The [contractor/seller] will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the [contractor/seller] is bound by the terms of section 503 of the Rehabilitation Act of 1973, as amended, and is committed to take affirmative action to employ and advance in employment, and shall not discriminate against, individuals with physical or mental disabilities.

6. The [contractor/seller] will include the provisions of this clause in every subcontract or purchase order in excess of \$ 10,000, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to section 503 of the act, as amended, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the Director, Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

7. The [contractor/seller] must, in all solicitations or advertisements for employees placed by or on behalf of the [contractor/seller], state that all qualified applicants will receive consideration for employment and will not be discriminated against on the basis of disability.

1.0 GENERAL CONDITIONS:

1.1 Applicability: If referred to within the text of such, these ITPC shall be applicable to all Requests For Proposals (RFP) solicitations that the Housing Authority of Monterey County (HACM) conducts and shall be applicable to any contract that HACM awards to or signs with any firm, agency or individual pursuant to that RFP. A copy of these ITPC shall be made available to any actual or prospective proposer, or contractor who does business with or intends to do business with HACM.

1.1.1 Unless otherwise specified within the RFP or contract documents, in the event that any provision in any document listed herein conflicts with any provision within these ITPC, the provision in the RFP or contract document shall govern. Further, in the case of any attached HUD forms (more specifically: HUD-5369-C (8/93); HUD-5369-B (8/93); and HUD-5370-C (10/2006), Section I and/or Section II), the information within such HUD form(s) shall govern any other information issued, especially that issued within any HACM-created forms that are issued as a part of this solicitation.

1.2 Definitions (pertaining to all RFP documents issued by HACM pertaining to this RFP, including the attachments and the ensuing contract):

1.2.1 "**Contracting Officer**" when named within an RFP document shall refer to either the ED or the person he/she has delegated such responsibilities to the "**Purchasing Agent**" (PA).

1.2.2 "**Contract**" refers to the fully executed written agreement that ensues from the RFP. Whereas all RFP documents are included, by reference, as a part of the ensuing contract, when "contract" is referred to within the RFP document, such is referring to both the RFP documents and the ensuing contract document.

1.2.3 "**Contractor**" and the term "successful proposer" may be used interchangeably.

1.2.4 "**Days**" unless otherwise directed, shall refer to calendar days.

1.2.6 "**ED**" is HACM Executive Director.

1.2.8 "**HACM**" is the Housing Authority of Monterey County. Unless otherwise defined herein or within the ensuing contract, whenever the term "HACM" is used without clearly designating a responsible HACM staff person, the proposer(s) shall assume that responsibility for that item rests with the PA.

1.2.9 "**HUD**" is the United States Department of Housing and Urban Development. HUD is the Federal agency that HACM receives some funding from; however, pertaining to this RFP, correspondences, including proposal submittals, received from each proposer must exhaust all

provisions contained herein prior to contacting HUD (i.e. in the case of a protest).

- 1.2.10 **"Herein"** shall refer to all documents issued pursuant to the noted RFP, including the RFP documents and the attachments.
- 1.2.11 **"Offer"** is the proposal submittal referred to within the following Section 1.2.14 that the proposer delivers to HACM in response to the RFP.
- 1.2.12 **"Offeror" or "Offerors"** are the proposer or proposers.
- 1.2.13 **"Parties"** - When "the parties," "both parties" or "either party" is stated within the RFP documents or the contract, such refers to HACM and the successful proposer(s).
- 1.2.14 **"Proposal" and/or "Proposal Submittal"** is the "hard copy" document that the proposer is required to, as detailed within the RFP document, deliver to HACM.
- 1.2.15 **"Protestant"** is a prospective proposer or proposer who feels that he/she has been treated inequitably by HACM and wishes HACM to correct the inequitable condition or situation. To be eligible to file a protest with HACM pertaining to an RFP or contract, the protestant must have been involved in the RFP process in some manner as a prospective proposer (i.e. registered and received the RFP documents).
- 1.2.16 **"Prospective Proposer" or "Proposer"** - A prospective proposer is a firm or individual who has been notified of the RFP solicitation and/or who has requested and/or received the RFP documents and is considering responding with a proposal; a proposer is a firm or individual who has submitted a proposal in response to the RFP. All terms and conditions shall apply equally to all prospective proposers as well as proposers, though prospective proposers may not, after the deadline set for receiving proposals, receive further notices pertaining to that RFP--meaning, certain notices (such as the Notice of Results of Evaluation) are typically only delivered to proposers and not to all prospective proposers.
- 1.2.17 **"Request For Proposals" (RFP)** is the competitive proposal process allowed by HUD, especially as defined within Chapter 7 of HUD Procurement Handbook 7460.8 REV 2.
- 1.2.18 **"RFP Document(s)"** - Whether stated in the singular or the plural, such refers to the body of documents, including attachments and the information posted on the nahro.economicengine.com Internet System (hereinafter, the "noted Internet System" or the "System), that HACM makes available to all prospective proposers wherein is detailed HACM's requirements.
- 1.2.19 **"Solicitation" or "Competitive Solicitation"** is the RFP process detailed herein.

2.0 CONDITIONS TO PROPOSE:

2.1 Pre-Qualification of Proposers: Prospective proposers will not be required to pre-qualify in order to submit a proposal. However, all proposers will be required to submit adequate information showing that the proposer is qualified to perform the required work (i.e. Profile of Firm Form and required resumes). Failure by the prospective proposer to provide the requested information may, at HACM's discretion, eliminate that proposer from consideration, provided that all proposers were required to submit the same information (in the case of a successful proposer(s), these requirements shall also apply in the context of the successful proposer or proposers).

2.2 RFP Forms, Documents, Specifications and Drawings:

2.2.1 It shall be each prospective proposer's responsibility to, prior to submitting a proposal in response to the RFP, examine carefully and, as may be required, properly complete and submit all documents issued pursuant to this RFP.

2.2.2 Unless otherwise instructed, specifications and drawings (if provided) do not purport to show all of the exact details of the work. They are intended to illustrate the character and extent of the performance desired under the proposed contract and may be supplemented or revised from time to time.

2.2.3 HACM shall reserve the right to, prior to award, revise, change, alter or amend any of the instructions, terms, conditions, and/or specifications identified within the RFP documents issued, within any attachment or drawing, or within any addenda issued; such notice shall be delivered in writing to each prospective and/or actual proposer. Such changes that are issued before the deadline for receipt of proposals shall be binding upon all prospective proposers. Such changes that are issued after the receipt of proposals, but prior to award shall be binding upon all parties that have submitted proposals; however, such parties shall be allowed to reject such changes by, within 5 days of receipt of such written notice, withdrawing his/her proposal. Such withdrawal must be delivered, in writing, to the PA within the 5-day deadline period.

2.3 Proposal Preparation, Submission and Receipt by HACM:

2.3.1 Required Forms: All required forms furnished by HACM as a part of the RFP document issued shall, as instructed, be fully completed and submitted by the proposer. Such forms may be completed in a legible hand-written fashion, by use of a typewriter, or may be downloaded and completed on a computer. If, during the download, a form becomes changed in any fashion, the proposer must "edit" the form back to its originally form (for example, signature lines must appear on the page the line was originally intended to be on).

- 2.3.2 Manner of Submission:** The proposal submittal shall be submitted in the manner detailed within the RFP document. Failure to submit the proposal in the manner specified may result in a premature opening of, post- opening of, or failure to open and consider that proposal, and may, at the discretion of the PA, eliminate that proposer from consideration for award.
- 2.3.3 Time for Receiving Proposals:** Proposals received prior to the time set as the deadline for the receipt by HACM of the proposal submittal shall be securely kept, unopened, by HACM. The PA, whose duty it is to open such proposals, will decide when the specified time has arrived. No proposal received after the designated deadline shall be considered, except as detailed within Section 6 of Form HUD-5369-B (8/93), *Late Submissions, Modifications and Withdrawal of Offers*.
- 2.3.3.1** Proposers are cautioned that any proposal submittal that may be time-stamped as being received by HACM after the exact time set as the deadline for the receiving of proposals shall be returned unopened to the proposer. Any such proposals inadvertently opened shall not be considered, but shall be ruled to be invalid. No responsibility will attach to HACM or any official or employee thereof, for the pre-opening of, or the failure to open a proposal not properly addressed and identified.
- 2.3.4 No Public Opening of Proposals:** Pursuant to the competitive proposals or RFP process, proposals are not publicly opened, but are held secure until the submittal deadline has passed. The proposals are then opened in private by the PA (or his/her designee) and are, pursuant to the evaluation plan, examined for minimal responsiveness (i.e. minimum compliance with the requirements of the RFP). Persons other than HACM staff involved in this process are not allowed to be present during the opening, nor may they inspect the proposals until after award has been completed.
- 2.3.5 Withdrawal of Proposals:** Proposals may be withdrawn as detailed within Section 6(h) of Form HUD-5369-B (8/93), *Late Submissions, Modifications and Withdrawal of Offers*. Negligence on the part of the proposer in preparing his/her proposal confers no right of withdrawal or modification of his/her proposal after such proposal has been received and opened.
- 2.3.6 Conflicting Conditions:** Any provisions detailed within any of the RFP documents which may be in conflict or inconsistent with any of the paragraphs in any of the other RFP documents, including attachments, shall be void to the extent of any such conflict or inconsistency. Further, as stated within Section 1.1.1 of this ITP, unless otherwise specified within the RFP or contract documents, in the event that any provision in any document listed herein conflicts with any provision within this ITP, the provision in the RFP or contract document shall govern.

2.3.7 Interpretations: No official oral interpretation can be made to any proposer as to the meaning of any instruction, condition, specifications drawing (if any), or any other document issued pertaining to this RFP. Every request for an official interpretation shall be made by the prospective proposer, in writing, pursuant to the schedule set within the RFP document issued and as directed by HACM. Official interpretations will be issued in the form of addenda, which will be delivered to each proposer; but it shall be the prospective proposer's responsibility to make inquiry as to addenda issued. All such addenda shall become a part of the RFP documents and the proposed contract with the successful proposer, and all proposers shall be bound by such addenda, whether or not received by the prospective or successful proposer(s).

2.4 Exceptions to Specifications:

2.4.1 A proposer may take exception to any of the proposal documents or any part of the information contained therein, by submitting, in writing to the PA, at least 10 days prior to the proposal deadline, a complete and specific explanation as to what he/she is taking exception to. Proposed alternate documents or information must also be included. A response by HACM will be issued in writing within 5 days of receipt of such exception request. HACM reserves the right to agree with the prospective proposer and issue a revision to the applicable RFP requirements, or may reject the prospective proposer's request.

2.4.2 When taking exception, prospective proposers must propose services that meet the requirements of the RFP documents. Exceptions to the specification and/or approved "equal" requests may be discussed at the scheduled pre-proposal conference (if scheduled). All verbal instructions issued by HACM officers not already listed within the RFP documents shall only become official when issued as addenda or as a written answer issued pursuant to receipt of a written question.

2.5 Lump Sum Cost Breakdown (LSCB):

2.5.1 HACM reserves the right to, at any time, request and receive from any or all proposers a LSCB of any or all of the costs proposed. The proposal documents constitute an outline of the work to be completed by the proposer. These documents are intended to include all major items, and the lump sum cost breakdown computed therefrom will be the maximum compensation for all work and materials whatsoever furnished by the proposer in order to comply with the proposal documents in their present form, whether or not indicated in the approximate quantities or pertaining to the items of work as listed.

2.5.1.1 The purpose of this LSCB will serve HACM in two distinct areas:

2.5.1.1.1 **Prior to award of proposals:** HACM may request a LSCB for any or all items reflected within the RFP document as “lump sum” for the purpose of determining an unbalanced cost proposal. The PA, using acceptable methods dictated by the industry, shall conduct the analysis.

2.5.1.1.2 **After award:** HACM may request a LSCB for any or all items reflected within the RFP document as “lump sum” for the purpose of making partial payments to the successful proposer.

2.5.1.1.3 Under no circumstances, may any cost item reflected as “lump sum” be increased/decreased as a result of the LSCB analysis.

3.0 PROPOSAL EVALUATION:

3.1 Proposal Opening Results: It is understood by all proposers/prospective proposer that the proposals received are not publicly opened and the results will typically not be a matter of public record until HACM has concluded all evaluations, has chosen a final top-rated proposer, has completed the award and is ready to issue such results. When HACM issues such notice, HACM will inform all proposers as to each proposer's placement as a result of the evaluation (i.e. 1st, 2nd, 3rd, etc.), the total points each proposer was awarded as a result of the evaluation and the proposed costs submitted by each proposer.

3.1.1 All proposal documents submitted by the proposers are not necessarily a matter of public record and as a matter of normal course, the proposals submitted by each proposer will not, until after award has been completed, be available to be viewed by any interested parties except as approved by HACM Legal Counsel (i.e. a proposer will not, prior to completion of award, be allowed to challenge an apparent top-rated proposer by inspecting the proposal that the apparent top-rated proposer submitted). HACM shall, however, upon request, verify that the proposal documents submitted are/were acceptable.

3.2 Award of Proposal(s): The successful proposer shall be determined by the top-rated responsive and responsible proposer as determined by the evaluation process detailed within the RFP document issued, provided his/her proposal is reasonable, he/she is able to deliver the specified items in a timely manner and it is, in the opinion of HACM, to the best interests of HACM to accept the proposal. All proposers will be notified in a timely manner of the results of the evaluation after award has been completed.

3.3 Rejection of Proposals:

3.3.1 HACM reserves the right to, at any time during the proposal process, reject any or all proposals received. In the case of rejection of all proposals, HACM reserves the right to advertise for new proposals or to proceed to do the work otherwise, if in the judgment of HACM, the best interest of HACM will be promoted.

3.3.2 Prospective proposers acknowledge by downloading and receiving the RFP documents and/or by submitting a proposal that the submission of a proposal to HACM is not a right by which to be awarded that proposal, but merely an offer by the prospective proposer to perform the requirements of the RFP documents in the event HACM decides to consider an award to that proposer.

3.4 Cancellation of Award: HACM reserves the right to, without any liability, cancel the award of any proposal(s) at any time before the execution of the contract documents by all parties.

3.5 Mistake in Proposal Submitted:

3.5.1 A request for withdrawal of a proposal due to a purported error need not be considered by HACM unless the same is filed in writing by the proposer within 48 hours after the proposal deadline (proposers may of their own volition withdraw a proposal prior to the submittal deadline). Any such request shall contain a full explanation of any purported error and shall, if requested by HACM, be supported by the original calculations on which the proposal was computed, together with a certification and notarization thereon that such computation is the original and prepared by the proposer or his/her agent, who must be identified on the notarized form. The foregoing shall not be construed that such withdrawal will be permitted, as HACM retains the right to accept or reject any proposal withdrawal for a mistake.

3.5.2 Unless otherwise prohibited within the RFP documents, a mistake in the cost unit pricing that does not affect the total cost sum submitted may, at HACM's discretion, be corrected by submitting a corrected cost form, together with a complete explanation in writing, of how the mistake occurred, to the PA, for his/her review. This mistake must be corrected before the issuance of contract documents.

3.6 Irregular Proposal Submittal: A proposal shall be considered irregular for any one of the following reasons, any one or more of which may, at HACM's discretion, be cause for rejection:

3.6.1 If the forms furnished by HACM are not used or are altered or if the proposed costs are not submitted as required and where provided (especially within the noted Internet System).

- 3.6.2** If all requested completed attachments do not accompany the proposal submitted.
- 3.6.3** If there are unauthorized additions, conditional or alternate proposals, or irregularities of any kind which may tend to make the proposal incomplete, indefinite or ambiguous as to its meaning or give the proposer submitting the same a competitive advantage over other proposers.
- 3.6.4** If the proposer adds any provisions reserving the right to accept or reject any award or to enter into a contract pursuant to an award.
- 3.6.5** If the individual Pricing Items submitted by a specific proposer are unbalanced in the sense that the listed price of any cost item departs by more than 25% from HACM's cost estimate for that item.
- 3.7 Disqualification of Proposers:** Any one or more of the following shall be considered as sufficient for the disqualification of a proposer and the rejection of his/her proposal:

 - 3.7.1** Evidence of collusion among prospective proposers. Participants in such collusion will receive no recognition as bidders or proposers for any future work of HACM until such participant shall have been reinstated as a qualified proposer or proposer. The names of all participants in such collusion shall be reported to HUD and any other inquiring governmental agency.
 - 3.7.2** More than one proposal for the same work from an individual, firm, or corporation under the same or different name(s), unless such was specifically allowed by HACM within the proposal documents issued, including by addendum.
 - 3.7.3** Lack of competency, lack of experience and/or lack of adequate machinery, plant and/or other resources.
 - 3.7.4** Documented unsatisfactory performance record as shown by past work for HACM or with any other local, State or Federal agency, judged from the standpoint of workmanship and progress.
 - 3.7.5** Incomplete work, which in the judgment of HACM, might hinder or prevent prompt completion of additional work, if awarded.
 - 3.7.6** Failure to pay or satisfactorily settle all bills due on former contracts still outstanding at the time of letting.
 - 3.7.7** Failure to comply with any qualification requirement of HACM.
 - 3.7.8** Failure to list, if required, all subcontractors (if subcontractors are allowed by HACM) who will be employed by the successful proposer(s) to complete the work of the proposed contract.

3.7.9 As required by the RFP documents, failure of the successful proposer to be properly licensed by the _____ and/or the State of _____ and/or to be insured by a general liability and/or worker's compensation policy.

3.7.10 Any legal reason to be determined, in good faith, to be in the best interests of HACM.

3.8 Burden of Proof: If requested by HACM, it shall be the responsibility of the proposer(s) to furnish HACM with sufficient data or physical samples, within a specified time, so that HACM may determine if the goods or services offered conform to the Specifications.

4.0 Right to Protest:

4.1 Rights: Any prospective or actual proposer, offeror, or contractor who is allegedly aggrieved in connection with the solicitation of a proposal or award of a contract, shall have the right to protest. An alleged aggrieved protestant claiming this right is hereby informed that these regulations do not provide for administrative appeal as a matter of right for that alleged aggrieved protestant.

4.1.1 An alleged aggrieved "protestant" is a prospective or actual proposer who feels that he/she has been treated inequitably by HACM and wishes HACM to correct the alleged inequitable condition or situation. To be eligible to file a protest with HACM pertaining to an RFP or contract, the alleged aggrieved protestant must have been involved in the RFP process in some manner as a prospective proposer (i.e. registered and received the RFP documents) when the alleged situation occurred. HACM has no obligation to consider a protest filed by any party that does not meet these criteria.

4.2 Administrative Powers: It is totally within the administrative powers of the ED to grant or deny any requests for administrative appeal. If, in the opinion of the ED, the alleged aggrieved protestant merits an administrative review, the ED shall direct that alleged aggrieved protestant to submit additional data.

4.3 Procedure to Protest: An alleged aggrieved protestant shall comply with the following protest procedures, and failure to comply in the manner prescribed shall automatically relieve HACM from accepting or considering that protest:

4.3.1 The alleged aggrieved protestant must file, in writing, to the PA the exact reason for the protest, attaching any supportive data. The protestant must state within the written protest document specifically (not by inference) what action by HACM or condition is being protested as inequitable, making, where appropriate specific reference to the RFP

documents issued. The protest document must also state the corrective action requested. Failure by the alleged aggrieved protestant to fully submit such information shall relieve HACM from any responsibility to consider the protest and take any corrective action.

4.3.2 The written instrument containing the reason for the protest must be received by the PA within 10 days after the occurrence of any of the following:

4.3.2.1 the deadline for receiving proposals;

4.3.2.2 receipt of notification of the results of the evaluation or the award;
or

4.3.2.3 the alleged aggrieved protestant knows or should have known the facts.

4.3.3 In any case, protests shall be filed no more than 10 days after any of the above (unless the occurrence being protested occurred in its entirety after the proposal deadline). Protests received after these dates shall not be considered.

4.3.4 The PA shall review the written protest and supportive data, if any. He/she shall, within 10 days after receipt of the written protest, issue a written opinion and decision. This document shall state the reasons for the action taken as well as inform the alleged aggrieved protestant of the right of further administrative review. A copy of this written opinion and decision shall be forwarded to the ED.

4.3.5 **Administrative Appeal:** If the alleged aggrieved protestant does not agree with the written opinion and decision issued by the PA, the alleged aggrieved protestant may, after receipt of the written opinion and decision issued by the PA request an administrative appeal hearing be granted (such request must be delivered in writing to the PA within 5 days of receipt of the written opinion and decision; failure to do so within such 5 days shall relieve HACM of any responsibility to consider such request). The following procedures must be complied with in the manner prescribed; failure by the alleged aggrieved protestant to comply shall automatically relieve HACM from accepting or acting on that request for administrative hearing:

4.3.5.1 The alleged aggrieved protestant must file, in writing, his/her request for an administrative hearing, to the ED, within 5 days of receipt of the written opinion and decision and failure to do so within such 5 days shall relieve HACM of any responsibility to consider such request.

- 4.3.5.2 The request for an administrative appeal hearing must contain the specific reasons for the appeal and all supporting data for those reasons.
 - 4.3.5.3 It shall be within the administrative powers of the ED to, after review of the request submitted, grant or deny any request for administrative appeal.
 - 4.3.5.4 If the ED, after complete review of the alleged aggrieved protestant's written request and supporting data, decides that the request does not merit further consideration, he/she shall render his/her decision in writing to the alleged aggrieved protestant. A decision rendered under this paragraph shall be made within 10 days after the receipt of the alleged aggrieved protestant's request for an administrative hearing. This decision shall be final without further administrative recourse.
 - 4.3.5.5 If the ED, after review of the alleged aggrieved protestant's written request, decides that the request merits further consideration, he/she shall forward the protestant's written request, along with a cover letter explaining why it merits further consideration and with a recap of all proposals submitted and a copy of the original written protest, to HACM Legal Counsel for consideration. HACM Legal Counsel shall issue to the alleged aggrieved protestant a decision, in writing, within 10 days of his/her receipt of such documents.
- 4.3.5.5 Such written decision delivered to the alleged aggrieved protestant shall exhaust HACM internal protest and administrative appeal process available to the alleged aggrieved protestant.

5.0 Disputed Billings (Charges):

- 5.1 **Procedures:** In addition to the procedures detailed within Clause No. 7 of Attachment G-1, Form HUD-5370-C (10/2006), *General Conditions for Non- Construction Contracts, Section I—(With or without Maintenance Work)*, in the event that HACM disputes any portion of its billing(s), HACM shall pay the undisputed portion of such billing and initiate the dispute-resolving procedures, as follows:
 - 5.1.1 HACM's representative shall, within 10 days after HACM's receipt of such billing, formally notify the contractor's representative of all particulars pertaining to the dispute, and request that he/she investigate and respond to this issue.
 - 5.1.2 If such dispute cannot be resolved by the contractor's response, within 10 days after such notification is given, the PA and the contractor's

representative shall meet to discuss the matter and attempt to arrive at a resolution.

5.1.3 If the PA and the contractor's representative are unable to resolve the dispute through such discussion within 10 days, HACM shall, within 10 days thereafter, either:

5.1.3.1 pay the disputed charges and reserve the right to submit the matter to the _____ Court Annexed Arbitration program if the disputed amount does not exceed \$40,000.00 or to the appropriate District Court in the State of _____;

5.1.3.2 not pay the disputed charge and submit the matter to the _____ Court Annexed Arbitration program if the disputed amount does not exceed \$40,000.00 or to the appropriate District Court in the State of _____;

5.1.3.3 not pay the disputed charge and allow the Contractor to submit the matter either to the _____ Court Annexed Arbitration program if the disputed amount does not exceed \$40,000.00 or to the appropriate District Court in the State of _____.

5.1.4 The decision from arbitration will be binding upon both parties. If the decision is adverse to HACM, HACM shall pay HACM's receipt of the decision. If the decision is in favor of HACM, the contractor will either:

5.1.4.1 clear the amount which is ordered from HACM account; or

5.1.4.2 repay to HACM the amount ordered.

Either option shall be completed within 10 days after the contractor's receipt of the arbitrator's decision.

6.0 Additional Considerations:

6.1 Right of Joinder Pursuant to NRS 332.195:

6.1.1 Any political subdivision within the State of _____ may be granted the privilege of joining the awarded contract, only at the option of the successful proposer. If the successful proposer so grants such a privilege, the terms and conditions of the RFP documents, including the ensuing contract, may be passed on to the joining political subdivision by the successful proposer.

6.1.2 The successful proposer shall retain the unilateral right to allow or disallow any political subdivision the privilege of joining the awarded contract. In the event the successful proposer allows another political subdivision to join HACM contract, it is expressly understood that HACM

shall in no way be liable for the joining political subdivision obligations to the successful proposer in any manner whatsoever.

- 6.2 Non-Escalation:** Unless otherwise specified within the RFP documents, the unit prices reflected on the contract shall remain firm with no provision for price increases during the term of the contract.
- 6.3 Funding Restrictions and Order Quantities:** HACM reserves the right to reduce or increase estimated or actual quantities in whatever amount necessary without prejudice or liability to HACM, if:
- 6.3.1** funding is not available;
 - 6.3.2** legal restrictions are placed upon the expenditure of monies for this category of service or supplies; or,
 - 6.3.3** HACM's requirements in good faith change after award of the contract.
- 6.4 Required Permits:** Unless otherwise stated in the RFP documents, all local, State or Federal permits which may be required to provide the services ensuing from award of this RFP, whether or not they are known to either HACM or the proposers at the time of the proposal submittal deadline or the award, shall be the sole responsibility of the successful proposer and any costs submitted by the proposer shall reflect all costs required by the successful proposer to procure and provide such necessary permits.
- 6.5 Taxes:** All persons doing business with HACM are hereby made aware that HACM is exempt from paying California State Sales and Use Taxes and Federal Excise Taxes. A letter of Tax Exemption will be provided upon request.
- 6.6 Government Standards:** It is the responsibility of the prospective proposer to ensure that all items and services proposed conform to all local, State and Federal laws concerning safety (OSHA and NOSHA) and environmental control (EPA and ___ County Pollution Regulations) and any other enacted ordinance, code, law or regulation. The successful proposer shall be responsible for all costs incurred for compliance with any such possible ordinance, code, law or regulation. No time extensions shall be granted or financial consideration given to the successful proposer for time or monies lost due to violations of any such ordinance, code, law or regulations that may occur.
- 6.7 Freight on Bill and Delivery:** All costs submitted by the successful proposer shall reflect the cost of delivering the proposed items and/or services to the locations(s) specified within the RFP documents or within the contract.
- 6.7.1** The successful proposer agrees to deliver to the designated location(s) on or before the date as specified in the finalized contract. Failure to deliver on or before the specified date constitutes an event of default by the successful proposer. Upon default, the successful proposer agrees that HACM may, at its option, rescind the finalized contract under the default clause herein and seek compensatory damages as provided by law.

- 6.8 Communication:** If during the period of the contract, it is necessary that HACM place toll or long distance telephone calls or telegrams in connection therewith (for complaints, adjustments, shortages, failure to deliver, etc.), it is understood that the successful proposer will bear the charge or expense for all such calls and/or telegrams.
- 6.9 Work on HACM Property:** If the successful proposer's work under the contract involves operations by the successful proposer on HACM premises, the successful proposer shall take all necessary precautions to prevent the occurrence of any injury to persons or property during the progress of such work and, except to the extent that any such injury is caused solely and directly by HACM's negligence, shall indemnify HACM, and their officers, agents, servants and employees against all loss which may result in any way from any act or omission of the successful proposer, its agents, employees, or subcontractors.
- 6.10 Estimated Quantities:** Unless otherwise stated within the RFP documents, the quantities reflected within the RFP documents, to the best of HACM's knowledge, reflect projected consumption data. These quantities are not meant to infer or imply actual consumption figures or quantities that will be purchased by HACM under the finalized contract; but, pursuant to all RFP documents, these quantities will be used as calculation figures to determine the successful proposer.
- 6.11 Warranty:**
- 6.11.1** The services provided under the contract shall conform to all information contained within the RFP documents as well as applicable Industry Published Technical Specifications, and if one of the above mentioned Specifications contains more stringent requirements than the other, the more stringent requirements shall apply.
- 6.11.2** The liability of the successful proposer to HACM (except as to title) arising out of the furnishing of the services or of its use under the terms of the contract shall not exceed the correcting of the defect(s) in the services as provided under the contract, and upon expiration of the warranty period all such liability shall terminate except under the warranty for merchantability and the warranty of fitness for a particular purpose.
- 6.12 Official, Agent and Employees of HACM Not Personally Liable:** It is agreed by and between the parties hereto that in no event shall any official, officer, employee, or agent of HACM in any way be personally liable or responsible for any covenant or agreement herein contained whether expressed or implied, nor for any statement, representation or warranty made herein or in any connection with this agreement.
- 6.13 Subcontractors:** Unless otherwise stated within the RFP documents, the successful proposer may not use any subcontractors to accomplish any portion of the services described within the RFP documents or the contract without the prior written permission of the PA.

- 6.14 Salaries and Expenses Relating to the Successful Proposers Employees:** Unless otherwise stated within the RFP documents, the successful proposer shall pay all salaries and expenses of, and all Federal, Social Security taxes, Federal and State Unemployment taxes, and any similar taxes relating to its employees used in the performance of the contract. The successful proposer further agrees to comply with all Federal, State and local wage and hour laws and all licensing laws applicable to its employees or other personnel furnished under this agreement.
- 6.15 Attorney's Fees:** In the event that litigation is commenced by one party hereto against the other in connection with the enforcement of any provision of this agreement, the prevailing party shall be paid by the losing party all court costs and other expenses of such litigation, including attorneys' fees, in a reasonable amount, to be determined by the court. The amount so allowed as attorneys' fees shall be taxed to the losing party as costs of the suit, unless prohibited by law.
- 6.16 Independent Contractor:** Unless otherwise stated within the RFP documents or the contract, the successful proposer is an independent contractor. Nothing herein shall create any association, agency, partnership or joint venture between the parties hereto and neither shall have any authority to bind the other in any way.
- 6.17 Severability:** If any provision of this agreement or any portion or provision hereof applicable to any particular situation or circumstance is held valid, the remainder of this agreement or the remainder of such provision (as the case may be), and the application thereof to other situations or circumstances shall not be affected thereby.
- 6.18 Waiver of Breach:** A waiver of either party of any terms or condition of this agreement in any instance shall not be deemed or construed as a waiver of such term or condition for the future, or of any subsequent breach thereof. All remedies, rights, undertakings, obligations, and agreements contained in this agreement shall be cumulative and none of them shall be in limitation of any other remedy, right, obligation or agreement of either party.
- 6.19 Time of the Essence:** Time is of the essence under this agreement as to each provision in which time of performance is a factor.
- 6.20 Limitation of Liability:** In no event shall HACM be liable to the successful proposer for any indirect, incidental, consequential or exemplary damages.
- 6.21 Indemnity:**
- 6.21.1** The successful proposer shall protect, indemnify and hold HACM, its officers, employees, agents, consulting engineers and other retained consultants harmless from and against any and all claims, damages, losses, suits, actions, decrees, judgments, attorney's fees, court costs and other expenses of any kind or character which HACM, its officers, employees, agents, consulting engineers or other retained consultants may suffer, or which may be sought against, recovered from or obtainable against HACM, its officers, employees, agents, consulting engineers or other retained consultants such as:

- 6.21.1.1** as a result of, or by reason of, or arising out of, or on account of, or in consequence of any act or failure to act on the part of the successful proposer, its subcontractors or agents, or anyone directly or indirectly employed by any subcontractor or agent, in the fulfillment or performance of the terms, conditions or covenants that are contained in this contract or agreement, regardless of whether or not the occurrence which gave rise to such claim, damage, loss, suit, action, judgment or expense was caused, in part, by any party indemnified hereunder; or
 - 6.21.1.2** as a result of, or by reason of, or arising out of, or on account of, or in consequence of, any neglect in safeguarding the work; or
 - 6.21.1.3** through the use of unacceptable materials or products, or both, which may be defective or manufactured, designed or installed so as to give rise to a claim; or
 - 6.21.1.4** because of any claim or amount recovered under the “Nevada Industrial Insurance Act”, or any other law, ordinance, or decree, which claim or recovery arose out of or is attributable to any act or failure to act on the part of the successful proposer in the fulfillment or performance of the terms, conditions and covenants that are contained in this contract. Any money due by the successful proposer under and by virtue of this contract which is considered necessary by HACM for such purpose, may be retained by HACM for its protection; or in case no money is due, its surety may be held until all such claims, damages, losses, suits, actions, decrees, judgments, attorney’s fees and court costs and other expenses of any kind or character as aforesaid shall have been settled and suitable evidence to that effect furnished to HACM provided, however, that money due the successful proposer will not be withheld when the successful proposer produces satisfactory evidence that it is adequately protected by public liability and property damage insurance, if required.
- 6.21.2** In this connection, it is expressly agreed that the successful proposer shall, at its own expense, defend HACM, its officers, employees, agents, consulting engineers and other retained consultants, against any and all claims, suits or actions which may be brought against them, or any of them, as a result of, or by reason of, or arising out of, or on account of, or in consequence of any act or failure to act the consequences of which the successful proposer has indemnified HACM, its officers, employees, agents, consulting engineers and other retained consultants against, and if the successful proposer shall fail to do so, HACM shall have the right, but not the obligation, to defend the same and to charge all direct and incidental costs of such defense to the successful proposer including attorney’s fees and court costs; provided, however, that if the forum in

which such claim suit or action is heard determines that the occurrence that gave rise to the same was caused, in whole or in part, by any party who is indemnified hereunder, HACM shall reimburse the successful proposer for all, or the indemnified party's proportionate share, as the case may be, of the costs of such defense.

6.21.2 Reimbursement to the successful proposer by HACM, in whole or in part, for the costs of protecting traffic shall not serve to relieve the successful proposer of its responsibility as set forth in the RFP documents.

6.21.3 The successful proposer guarantees the payment of all just claims for materials, supplies and labor, and all other just claims against it or any subcontractor, in connection with the contract.

6.22 Lobbying Certification: By proposing to do business with HACM or by doing business with HACM, each proposer certifies the following:

6.22.1 No Federal appropriated funds have been paid or will be paid, by or on behalf of the proposer, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of an Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

6.23 24 CFR 85.36(i), Procurement: Pursuant to this CFR, as issued by the Office of the Secretary, HUD, HACM and the contractor each agree to comply with the following provisions and agree that any contract that ensues as a result of this RFP will include the following clauses, whether actually inserted or by reference:

6.23.1 Remedies for Contractor Breach: Pertaining to contract-related issues, it is the responsibility of both HACM and the contractor to communicate with each other in as clear and complete a manner as possible. If at any time during the term of this contract HACM or the contractor is not satisfied with any issue, it is the responsibility of that party to deliver to the other party communication, in writing, fully detailing the issue and corrective action (please note that HACM has the right to issue unilateral addendums to this contract, but the contractor does not have the same right). The other party shall, within 10 days, respond in writing to the other party (however, HACM shall retain the right to, if conditions warrant, require the contractor to respond in a shorter period of time). Further, HACM shall, at a minimum, employ the following steps in dealing with the contractor as to any performance issues:

6.23.1.1 If the contractor is in material breach of the contract, HACM may promptly invoke the termination clause detailed within Section No. 3 of Attachment G-1, form HUD-5370-C (10/2006), *General Conditions for Non-Construction Contracts, Section I— (With or without Maintenance Work)*, which is attached hereto, and terminate the contract for cause. 6.23.1.2 Prior to termination, HACM may choose to warn the contractor, verbally or in writing, of any issue of non-compliant or unsatisfactory performance. Such written warning may include placing the contractor on probation, thereby giving the contractor a certain period of time to correct the deficiencies or potentially suffer termination. HACM shall maintain in the contract file a written record of any such warning detailing all pertinent information. If the contractor does not agree with such action, the contractor shall have 10 days to dispute or protest, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with HACM's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing HACM's alleged incorrect action(s).

6.23.1.3 After termination, if the contractor does not agree with HACM's justification for the termination, the contractor shall have 10 days to dispute, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no

recourse but to accept and agree with HACM's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing HACM's alleged incorrect action(s).
