**COMMISSIONER COMMENTS**

Commissioner Escamilla commented that he was deeply sorry to hear about the tragedy that happened to Commissioner Nichols’ nephew.

Commissioner Rosen commented the statement by Commissioner Escamilla speaks for the whole Board.

Commissioner Nichols emphasized for the record that the shootings in East Salinas and the area of his home is getting worse. He found a .9mm bullet, which he had turned into the caretaker but after his nephew’s tragedy he retrieved the bullet and gave it to the police investigating his nephew’s death. He commented that children 11 years of age are being provided guns by the gangs, not age 13 as most people think. He stated the police admit they don’t know what to do about the gun situation and say it is out of their hands. Commissioner Nichols emphasized that he wants it on record that he doesn’t think HACM should be held liable for shootings that might take place on HACM properties. Commissioner Nichols suggested that HACM request heavier police involvement/protection in his census track.

Ms. Warren suggested that a recovery reclamation program might be a solution to these kinds of areas. Commissioner Rosen commented that maybe Ms. Warren could bring a proposal on this issue to next month’s Board.

Commissioner Schneider asked if the Board would be receiving verbatim minutes from now on? Ms. Tebbs, Clerk to the Board of Commissioners, responded in the negative.

Commissioner Rosen further commented that she and Commissioner Styles would report on their trip to the NAHRO Conference at next month’s Board meeting.

The Board convened to Closed Session at 8:15 p.m.
