Commissioner Stewart reported the Finance/Development Committee reviewed the audit. There were a couple of items reflected on the audit from last year, but staff is working on those items. Otherwise the audit came out very well. Mr. Nakashima reminded that although HACM will be converting to GASB 34 this year, that GASB 39 is forthcoming, which requires more compliance with structural issues; therefore, there will be continuing changes to the audit standards. He stated Mr. Gibbons and Ms. Wong from Hayashi and Wayland were attending tonight’s meeting to answer any questions the Board might have on the audit. There were no questions.

Upon motion by Commissioner Stewart, seconded by Commissioner Gin, the Board accepted the audited financial statements for the period ending June 30, 2002. Motion carried with the following vote:

REPORT OF SECRETARY

A. Executive Report

Mr. Nakashima reported maintenance and management staff came out with a 91.2 PHAS score with one more complex to be inspected. It appears the preliminary figures for the Finance portion will be graded high performer. He commented that Mr. Pollard had been fare-welled by HACM and the Board, and that Ms. Jean Goebel has been selected as the new Director of Housing Management.

In a lengthy discussion, Mr. Nakashima noted HACM should be concerned about Congress’ efforts to fund homeland security, which will take $640M from this year’s HUD allocation. For HACM, this would be done by reducing the number of vouchers to the number authorized on June 30, 2002, which is 3244; HACM would reduce to these numbers through attrition and port outs. Staff noted that HACM would lose the admin fees for the reduced number as well as not being able to use the admin fees for other programs. Mr. Nakashima emphasized that flexibility with the Section 8 admin fees cannot be negotiated. HUD will be looking to recapture any monies through compliance issues and programs that could lead to privatization or regionalization of smaller housing authorities; HACM and Santa Cruz are both medium size Housing Authorities.

Mr. Nakashima introduced Patrick Dwire, new Senior Community Development Planner. The Board welcomed Mr. Dwire.

OLD BUSINESS

A. Classification and Compensation Study Update

Mr. Werlin, Deputy Director of SEIU 817, made a presentation on behalf of the Union. He recommended that the Board direct the HACM staff to continue to work with the Union to bring the Union wages to parity. Mr. Phillips, Chief Administrative Officer of HACM, made a presentation on behalf of the HACM. He stated that management stood by the proposal briefed to the full Board on October 12, 2002. Mr. Phillips stated that proposal is the recommendation for implementation of the Classification and Compensation Study at 50% of the mean increase by classification.

Upon motion by Commissioner Rosen, seconded by Commissioner Nichols, the Board approved the HACM management proposal with the increases and reclassifications to take effect January 1, 2003. The Board further directed staff that the Classification and Compensation Study is to be used as a continuing working document until that point in time that the Study will need to be updated. Motion carried with the following vote:

AYES: Styles, Rosen, Gin, Nichols, Stewart, Schneider
NOES: None
ABSENT: Escamilla
