A. Resolution 2504: Proposed Payment Standards for HAP:

Carolina Sahagun reported that this resolution is to request from HUD changes to payment standards to 95% of the proposed FMR for the Peninsula (Carmel, Carmel Valley, Pacific Grove, Monterey, Seaside and Marina) to help families locate housing in the Peninsula where rents are much higher than in the area of Salinas. Tracking will be done next year for the success rate to determine if FMR needs to be re-adjusted: Salinas and other cities remain at the 90-93% FMR. Ms Sahagun addressed clarification questions on the resolution.

Commissioner Rangel made a motion to approve Resolution 2504 for Consent Agenda; motion seconded by Commissioner Dalessio. Motion carried.

B. Resolution 2505: Limited English Proficiency Policy (LEP)

Carolina Sahagun stated the resolution places in writing what the Housing Authority has already established. With Spanish speaking clients being the majority in Monterey County and based on the percentage of clients served, vital documents have been translated and will be made available to clients in Spanish. HACM also has a number of certified Spanish bilingual staff. Ms. Sahagun stated that the Housing Authority also has a service, Language Line, that is available to clients that speak another language other than Spanish. The phone is available where client and staff can use the two headsets available to contact a translator.

After questions were addressed and some discussion, Commissioner Dalessio recommended that we urge all housing authorities to contact legislators to make HUD translate their documents for public housing authorities.

Motion was made by Commissioner Rangel to approve Resolution 2505 for Consent Agenda: Motion seconded by Commissioner Dalessio. Motion carried.
