

What is Fair Housing? It's Your Right!

**Are you a resident, employee, or
community member in Monterey County?
Join the discussion about fair housing!**

COMMUNITY WORKSHOPS

*We want to hear from you about your
experiences with housing discrimination
and difficulties finding housing.*

The Fair Housing Act protects people from discrimination when they are renting, buying, or securing financing for any housing. The law specifically covers discrimination because of race, color, national origin, religion, sex or disability.

Why is this important to you?

You can help us understand your community's needs and identify solutions to reduce housing discrimination.

How can you participate?

1. Come to one of our Community Workshops
Each workshop will have the same format and content.
2. Take our short online survey in English or Spanish:

Community workshops are being conducted by the Cities of Monterey, Salinas and Seaside, and the Monterey Urban County (composed of the County unincorporated areas, along with the cities of Gonzales, Greenfield, and Sand City), as well as the Housing Authority of the County of Monterey.
