1. SUMMARY

Housing Authority County of Monterey, hereinafter referred to as “HACM,” is requesting proposals from all interested providers of High-Speed Internet/Broadband (hereafter “Internet”) services for affordable, reliable high-speed Internet access for residential, business, and government constituents.

The term “offeror” shall refer to providers submitting proposals in response to this Request for Proposals (RFP). The term “Contractor” or “Provider” is also used to describe the successful offeror(s) in the context of providing services under a contract resulting from this RFP.

An electronic copy may be downloaded from www.hamonterey.org

Each proposal received in response to this RFP will be evaluated on the criteria described herein. All proposals must be sealed, clearly marked “PROPOSAL – High-Speed Internet Service” and must include all elements described in the **PROPOSAL CONTENT AND FORMAT REQUIREMENTS** section of this RFP.

One original and five (5) copies of the proposal must be delivered to the address below before the date and time listed in the **CONTRACT AWARD SCHEDULE** section of this RFP. The HACM will not be responsible for proposals delivered to a person or location other than that specified herein, and reliance on the postal service will not excuse late proposals.

Access to HACM data for the identification of demand and assets is available by request.

Any amendment or addendum to this RFP is valid only if issued in writing by the HACM.

3. GENERAL CONDITIONS

3.1. Prime Responsibility: The selected provider will be required to assume full responsibility for all services and activities offered in its proposal(s), whether or not provided directly. Further, the HACM will consider the selected Contractor(s) to be the sole point of contact regarding contractual matters, including payment of any and all charges resulting from the contract.

3.2. Assurance: Any contract awarded under this RFP must be carried out in full compliance with all laws of the State of California. The HACM prohibits discrimination in employment or in the provision of services because of race, color, religion, religious creed, sex, age, marital status,

ancestry, national origin, political affiliation, physical disability or medical condition. This clause does not require the hiring of unqualified persons.

- 3.3. Independent Contractor: In performance of the work, duties and obligations assumed by the offeror, it is mutually understood that the offeror, and all of the offeror's officers, agents and employees, will at all times be acting and performing in an independent capacity and not as an officer, agent, servant, employee, joint venture, partner or associate of the HACM.
- 3.4. The HACM reserves the right to reject any and all proposals; to negotiate specific terms, conditions, compensation, and provisions on any contracts that may arise from this solicitation; to waive any informalities or irregularities in the proposals; and to accept the proposal(s) that appear(s) to be in the best interest of the HACM. In determining and evaluating the proposals, costs will not necessarily be the sole factor; the experience of those who will be providing services under the contract, quality, equality, efficiency, utility, suitability of the services offered, and the reputation of applicants will be considered, along with other relevant factors.
- 3.5. The HACM reserves the right to:

- 3.7. Bond requirement: HACM reserves the right to require the successful proposer to, at contract execution, present a Bid Bond, Payment Bond and a Performance Bond.

4. BACKGROUND

- 4.1. The HACM is looking for an internet solution that will serve residents, business and governments throughout the HACM. Because areas of the HACM are currently underserved or have no internet service, the HACM wishes to obtain access to high-quality internet access as that term is defined by the FCC (see <https://www.fcc.gov/document/fcc-finds-us-broadband-deployment-not-keeping-pace>) for its citizens and to encourage economic development.
- 4.2. The HACM is looking for a company to install internet to connect and serve the underserved rural areas of the HACM. Preference will be given to proposed solutions that have three separate options for: limited service in a small geographical area; basic service which will cover three regions in the HACM; and, a majority option that will cover about 90% of HACM residents and businesses.
- 4.3. Proposed solutions must be highly reliable (99.99% or better) and provide low-link-latency capable of carrying multicast, real-time streaming and video conferencing.
- 4.4. The HACM is willing to provide access to its vertical assets for deployment of wireless services that will augment internet deployments throughout the HACM. The final determination is to be made by the HACM. A map showing vertical assets will be available upon request.
- 4.5. The selected entity must be willing to have local representation on a full-time basis.

- 4.6. The selected entity will be required to market their offerings to customers through a HACM-specific marketing plan.
- 4.7. Preference may be given to firms that offer creative ways to fund this project.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
